

**Programme of Awareness and Formation of Students
College Co-operative Society
Organized by Co-operative Society Dhubri and
Career Guidance Cell (IQAC)
Progati College, Agomani**

Date: 29.04.2023

Under the direction of Assam Co-operative societies a programme is held on 29th April 2023 at 12-00 noon in the auditorium hall in which the students, teachers, principal and the officers of the co-operative division, Dhubri, have participated. As per application submitted to our principal by the Assistant Registrar of Co-operative society, Dhubri Career Guidance Cell has organized the programme in which the Assistant Registrar of cooperative society, Dhubri delivers his valuable speech on the financial benefit of cooperative society if that is formed and run by the students smoothly. The students become aware of the cooperative society and as per direction of the Assistant Registrar of cooperative society has been formed a cooperative society comprising of 12 (Twelve) students. The society will be active after possessing the proper registration.

The core of the speech delivered in the programme is that if the students will run the society, they get economic benefit which will help them for running the study and after completion of degree they will implement the marketing and production mechanism in their livelihood through which they may be self-dependant.

The programme is presided over by our principal and the following named guest speakers are present.
