REPORT ON STUDENT INDUCTION PROGRAMME

In compliance with UGC regulations, Progati College, Agomani arranged a two-day student induction programme for all incoming freshmen in FYUGP courses. One of the most difficult transitions a student experiences in their life is leaving school to attend college. New students bring a variety of perspectives, experiences, and readiness to an institution. They enter a strange and new setting; an induction program consisting of various modules is held to help them get comfortable. The first session of this programme was held on 1st August and the 2nd session was held on 5th August, 2024. The programme was mainly hosted by Mr. Pranab Kumar Podder (HOD, Dept of Economics) and Dr. Parmeswar Ray (Asst. Professor, Dept of Sanskrit) where Dr. Sanowar Hussain (Asst. Professor, Dept of Arabic), Mr. Sunil Chandra Roy (HOD, Dept of Assamese), Mr. Tulsi Rabi Das (Asst. Professor, Dept of Assamese) and Dr. Ashraf Hussain (Asst. Professor, Dept of English) co-operate with them and deliver their valuable speech.

SCHEDULE OF THE PROGRAMME

Day 1: Campus Visit Day, Speech by College Dignitaries and Principal.

Day 2: Speech by Heads of all the departments and functional Areas.
Department Orientation, Mentoring session.

The program's goal is:

- *To assist the newcomers in settling into the new academic environment.
- * To make it easier for them to transfer to the mainstream of their degree programs by introducing the institution's ethos and culture.
- *To support students in developing emotionally and progressively with instructors and peers so that they can better understand and explore who they are.
- * To make them understand the value of inner strength and to instill in them the ideals of health and cleanliness.
- * To fill in the gaps and make students more receptive to pursue their academic interests and aspirations for academic greatness by reworking and reforming the foundational ideas.
- * To cultivate awareness, sensitivity, and comprehension of oneself, other individuals, society as a whole, and the natural world.
- *To develop self-awareness, empathy, and comprehension of oneself, others, society, and the natural world.

*To encourage comprehensive growth by providing exposure to a diverse range of academic, extracurricular, and co-curricular activities.

The programme comes to an end successfully after the mentoring session and feed back of the students.

* * * * *
